

Ample lineup corresponding to needs for fine high-accuracy machining to high-productivity with large electrode.

Mitsubishi Electric helps to enhance productivity with total solutions covering machine, power supply, adaptive control, automation systems and networks.

MA2000

Flagship model integrating advanced technologies.

EA-PS Series

EA8PS / EA12PS

High grade model compatible with various types of EDM machining.

EA ADVANCE Series

EA8A / EA8PV ADVANCE / EA12A / EA12V ADVANCE
/ EA28 VADVANCE / EA28V ADVANCE(Long Stroke)

Advanced series pursuing high-speed, high-accuracy and outstanding operability.

EA-S Series

EA8S(Automatic elevation tank) / EA8S(Front door) /
EA12S(Automatic elevation tank) / EA12S(Front door)

Compact standard model pursuing multi-function and productivity.

EA Series

EA40 ADVANCE / EA50

High-performance series equipped with abundant functions.
